Manufacturing RFI Release + ASGCT Save the Date

Thank you for registering to receive AMP® BGTC updates. See the latest news summary from the consortium below.

The Accelerating Medicines Partnership® Bespoke Gene Therapy Consortium (AMP® BGTC) has issued a request for information (RFI) for bespoke GMP manufacturing of AAV gene therapy products. You may view and download the new RFI and response form at the [BGTC webpage](#).

In other news, registration is [now open](#) for the 26th annual American Society of Gene and Cell Therapy (ASGCT) conference, being held May 16-20, 2023 in Los Angeles, California.

In addition, we invite you to save the date for the first BGTC Annual Meeting, to be held the last day of the ASGCT conference at the Los Angeles Convention Center, from 8:00am - 12:00pm. More information to come!

Thank you,

The BGTC Steering Committee
